

I guess they'll grow accustomed to an adult figure.

By the way this affair happened in a very small country

眠れぬ夜の王子様

I'm really there

Um 76.

There has been 924 people, Prince.

Makieda how many people has it been now?

When
the prince was
born there
was a
celebration
and magicians
were invited

One by one
they blessed
the prince
with
their magic

Everyone
will
like him

He will
become
a beautiful
man

He will
have a
very good
health

... sorry
to interrupt

Worrying
is useless

Raymond

Damn it
to curse
such an
important
har

Aaa...

True

Kuro-
tsue's
guy

Sorry the
streets of
the city
were
crowded

Shiro-
tsue!

You're
late

Sir
my magical
blessing
is still left.

It's
all right

I'll make
a charm
that will undo
this magic...

32

years

The rumour of the misfortune prince slowly spread.

Hey do you know how old he is?

The rumoured handsome young prince.

By all means the disease of perennial youth is piling up.

The prince will have a perfect appearance if he is loved by a thousand men.

As for the stuffs that have to cure him, they aren't authorized to leave.

This one-time, Janny the cattleman was called to the castle.

Yamato Janny (25)

Janny's story

Yoneda
Jerry
—(25)

The prince is
32 years old
but he has a beautiful
boy's look and he does
quite erotic things.
It is said it's because
he has to bear
this mutilation.

So Jerry
lost his work.
He's expressed
in masturbation.

So one by one
to cure the
prince's illness
permits,
people
rushed ahead
to the castle.

It is said
that he needs
a thousand men
to have an
adult
appearance

This is the
only way
to cure the
prince's
illness.

What

And they
say only
different
ones.

The prince's
technique
is so good
you feel
like dying.

This country
is full of
nothing
but homos.

Tamaki

~*~

I'll immediately call a fellow to be prince's victim.

It's a relief

It is my duty to find an appropriate man for the prince's last time.

Uwa, of course he'll inherit his looks, won't he?

Impossible !!

Did you hear? Finally the prince's illness will be cured.

At that time

Aren't you happy?

Who is the thousand one

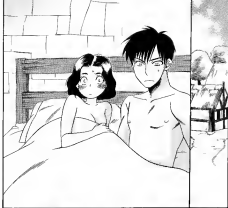

Aa... you can't buy the people's resentment

If the prince does pervert stuff he will die... don't cure his illness

Stupid what is there to be happy

I'M

There is
no reason
to tie
him up

He's the
kind of
person who
will escape

How
un-
usual

You are lucky,
you've been
chosen to
make my curse
disappear

You're
Tamaki...

You'll make
an effort and
have sex
with me right.

Take him to the bathroom at once.

WHY MEEE I

You are the last man, that's why

I'll carefully service you.

HOW MANY TIMES DO I HAVE TO SAY I AM NORMAL

What kind of talk is it before the prince?

Moreover I have to go back home, I'm getting married next week.

Well it's ok

KUU

If you are normal you can shout, a lot of guys desire my body.

But I don't want to differentiate my thousandth partner.

It's all right

You will soon be my slave

Haha
it's deplorable,
isn't it.

Hum
Hummm

TCH

You won't be
impotent
I am
going
to take
it deep

NIPPLE
ATTACK

If you think
my secret
technique
will bother you
are mistaken

It seems
my age
holds a
strange
power.

Until this
morning your
wife (to be)
enlisted
three ways
to start
It's
simple
to make it
rise.

WIE

HERE
IT'S
HERE

That...that
sort of
thing I
understand.

There's
no time.

...not
good.

Not
good,
the
better.

Tamaki
where
did you
go!

Impos-
sible

To

Over
there --
it should
be ok...

It won't be hard to have a child-like person under my control

Moreover we can deal with it even if there is the child!

Yes

What is

A thousand of pure perverts have felt like dying-

To usurp this country the prince is a super-hindrance—really!

Who

Shirotsue-sama

The prince really managed to remove it

My sincere apologies, I planned to have someone, who had as much as possible of honorable behaviour

You
love him

That's
why...

If I
think it's
a lie why
am I
crying?

I
would've
noticed,
really.

Really
why am I
crying?

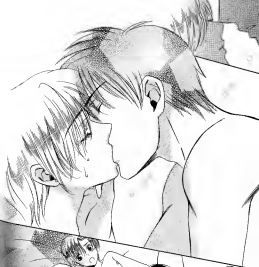

Becoming an
adult is a
hindrance...

Why?

If your
adult looks
return I
Your body
heart's
finished
growing that's
why I was
reluctant

Do you
want
to stay
with me?

Always...

It's ok

You did
your best
so it's ok...

Tamoko

Why

You try to
get rid of
the curse

Since I'm
embracing
you, cling
to me.

So it's
ok
already

To cry -

So forget
about
before

I love
you

I can
understand
why they
threw me
out of
the castle.

Because it's
too painful
to forget
I'm going to
leave this
country.

The "lousy"
rumour says
when the prince
will inherit the
throne, the country
will be rebuilt.

And I don't
have any
connections

Why are
you here...

Your curse
didn't
disappear!

I have come
to meet you.

Look,
I grew to
adulthood
exactly one
year ago.

124

Until the country calmed down I always, always, wanted to see you.

Tamaki
I love you,
you are my
treasure.

My voice
is changing

Since
last year
I grew
2 cm.

After this
I properly
grew to
adulthood.

Really

Thus
the king
(prince)

Had removed
his curse and
he remained
an adult
forever

I want you
to be by my
side forever
Tamaki

I can
finally say

You have
this kind of
interest
after all

Because it
took a long
time to
accumulate
all my
technique

Normal
sex is
good.

They loved
each other
forever.

Wonderful
wonderful
